Rooted in the Valley

As a Vanier grad with deep family roots in Cumberland, I grew up on stories of the old mining days. After a decade of hard but rewarding work as a tree planter, I returned home to the Comox Valley to raise my son and build something that serves my neighbors.

I know the juggle of modern life. We all need help sometimes, and every busy family deserves a 'housewife' in their corner! At Betty's Best, we don't just clean homes; we support the lives lived in them. We're all about solutions, and if we don't get it right the first time, we always make it right in the end.

Did we miss a spot or anything that doesn't meet your expectations?

Within 24 hours, don't worry – give us a shout. We promise to pop back over and make it right or work with you to find the perfect fix. We're here for you.
